A. ALL PARKING LOTS ON CAMPUS ARE RESERVED

1. Parking is authorized ONLY in student lots corresponding to the color and number of credits student vehicles are allotted. Parking regulations remain in effect, regardless of whether or not classes are in session. Permits in any lot may be revoked at any time.

2. Vehicles with a service/delivery permit are required to park in service/delivery spaces. These spaces are identified by signage or a combination of blue X's. Only authorized agencies may purchase these permits.

3. Each lot entrance is signed, listing specific hours of reservation and restrictions.

4. After 4pm, most faculty/staff lots are open to students displaying a valid student permit or permit issued to students who are visiting faculty/staff.

5. There are specific parking restrictions that are active between 2am and 4am. Restricted parking is also in effect during the weekend from 9am Friday to 9am Sunday. These restrictions are enforced seven days a week.

6. Permit holders are responsible for reporting all address and license plate changes immediately to the Parking Office. Permit holders are responsible for being familiar with the hours of operation for the permit office.

B. SINGLE/MULTI-SPACE METERS

1. Valid at University Park until after

2. Multi-space meters accept coin, credit card (VISA, MC, Discover) or LionCash+.
